## **Presidents Letter**

Spring has arrived and with it the winds and thunderstorms.....I hope everyone has survived the storms and had minimal damage. Our class A show, the Cowtown Classic that was held in March, was down a bit in the numbers but not in quality -- I'm proud to say I believe our show is one of the most competitive shows in the region, if not in the nation. I want to thank all our volunteers who helped make the Cowtown Classic what it is, we simply could not put on the show without the numerous volunteers it takes to run that show - - thank you very much for

supporting our club and the breed as well as sacrificing your time and resources to do so. We have our open schooling shows starting up in May (details are in the newsletter) and hope our members will consider coming out to join us by either showing in it or volunteering to help work a gate or ring steward. The open shows are one of the things the members say they want us to do, but they rarely come out and support them, so please try and do that. It is time to start considering our slate of officers for the next year that will be

voted on at our Annual August meeting.....we are always looking for some "new blood" and getting people more involved in the club. If you would like to serve on the Board or be an officer and become more involved in "your" club, please contact myself or Patty Manning (email and phone numbers are on the back of the newsletter) -- please consider this, we would love to hear some fresh ideas and voices from our members. Sincerely,

Debbie Cinotto
